

Please do not take away K-LOVE. My days would not be as uplifting as they are now with the help of this FM radio station. The effect of displacing K-LOVE by an LPFM broadcaster would be devastating to my community and any other communities that K-LOVE serves. People need to hear radio stations like K-LOVE to be encouraged and uplifted in times like today. The impact without it would be beyond our comprehension. So, Please, do not let K-LOVE's stations be taken away from the many, many people that it serves. I hope that you all take my comment into consideration. I would be very disappointed if K-LOVE was no longer available for me and my family to hear each and every day. Thank you.
